OUSE VALLEY ENERGY SERVICES COMPANY

Non-Executive Director Opportunity:

Are you looking for an impactful NED role in Community Energy? Ouse Valley Energy Services CIC (OVESCO) is an established Lewes based community energy company with over 17 years of experience. We want to grow our work and our impact delivering local energy generation and energy advice services across Sussex. We see this an expanding market to which we can offer our knowledge and practical experience. We need to maintain and grow our position in the community energy sector and are seeking board members who can help us succeed in that.

Experience across: strategic development; commercial and financial planning and management; grants; communications; advocacy; HR or legal - would all be welcomed, together with the commitment to act on the climate emergency. We seek a NED to help us achieve our vision in which 100% of our local energy needs are generated from renewable source to enable local decarbonisation. We strive to be the go-to trusted source of advice for the benefit of the local community.

We are committed to increasing diversity within our organisation and positively welcome applications from all. We are registered as both a community interest company and represent a number of community benefit societies, so the role is open to join one of more boards. If you are new to being a NED, it's a great opportunity to get this experience in a friendly and professionally run not for profit organisation.

The time commitment is for four board meetings per year, plus strategic and ad hoc support depending on the time you have available and your skills and abilities. It is a voluntary role with reasonable expenses reimbursed.

Application Process:

if you are interested in joining us at as a non-executive Director contact us at hello@ovesco.co.uk. Please provide your CV and a paragraph of up to 300 words to tell us about why you want to join the board of directors.
